

National POLST: Participating Programs

As of February 2022

This map recognizes the POLST Programs which are active in National POLST activities.

Programs which are using the National POLST Form (Arizona, Maine, New Hampshire, Iowa, Alabama) are outlined in dark pink; programs that have adapted the National POLST Form are outlined in medium pink (West Virginia, Alaska, Idaho).

- **Active programs** have at least one leader actively participating in National POLST governance.
- **Unaffiliated programs** do not have any POLST Program leaders participating in National POLST governance and their programs are not reviewed by National POLST. National POLST does not review unaffiliated programs; therefore, they are ineligible for endorsement.
