

POLST Form Title Options	<i>Examples</i>
NATIONAL POLST Form: A Portable Medical Order <ul style="list-style-type: none"> State designation on back page* 	National POLST Form: A Portable Medical Order (In lower left corner of the back page: QR code and link to Virginia POLST Collaborative's website)
STATE POLST Form: A Portable Medical Order	Maine POLST Form: A Portable Medical Order
STATE ACRONYM (consistent with the National POLST Form)	Kansas TPOPP (consistent with National POLST form)
STATE NAME (modified from the National POLST Model Form)	West Virginia POST Form: A Portable Medical Order (modified from the National POLST Model Form)

* NPC strongly recommends state identification on the form. This is important for clinicians and EMS acting on portable medical orders.

{The Forms Consultation Committee voted to recommend the below changes to the POLST form naming recommendations. The changes include modifying the order of examples and making the recommendation of including a state name on the front of the POLST document more prominent.

NOTE: the table format used is fine with our standard “POLST pink”.)

<i>POLST Form Title Options</i>	<i>Examples</i>
STATE POLST Form: A Portable Medical Order	Maine POLST Form: A Portable Medical Order
STATE ACRONYM (consistent with the National POLST Form)	Kansas TPOPP (consistent with the National POLST form)
